ABOUT GRANDWOOD FURNITURE

Grandwood Furniture is a solid wood manufacturer located in the Pacific Northwest. Purchasing local goods supports our community where we live and work. Our furniture stands out from the rest because it is hand-crafted with long lasting, quality components.

Solid lumber shipped from the East Coast. (No particle board)
Full extension ball bearing glides with 70 lb. capacity for stability.
All collections feature solid tops, fronts and frames to last a lifetime.
Adjustable shelves on bookcases and TV consoles
Drawers are dadoed on all four sides, dovetailed in the front and have ¼" bottoms.
Five step catalyzed finish that won't chip off or flake.
Can be customized with choice of hardware, stain color and wood type.
Lifetime guarantee against material and manufacturing defects.

HARDWARE SELECTIONS

MISSION HARDWARE

MORE HARDWARE SELECTIONS ARE AVAILABLE THROUGH OUR FACTORY OR ONLINE

CUSTOMIZE YOUR FURNITURE

Most people already have existing furniture in their home which they are either replacing or adding to their collection.

WHAT WE OFFER:

- **Grandwood Furniture offers 12 different stain collections to choose from and several different styles of hardware.**
- **Grandwood also offers a service to custom match stain from existing furniture in your home, all you need is to bring in a sample!**
- **The majority of our furniture is built out of solid Oak, we never use particle board! You have the choice to *upgrade* to our most popular upgrade selection, Cherry. Special requests may be made through the factory.**
- **We are also able to customize dimensions for your furniture to best fit your size restrictions or desires.**
